

**VALIN**

Shaping your ideas

More  
than a  
simple  
snack  
pellet.

[valin.net](http://valin.net)

Transforming  
natural  
products  
into tasty  
snacks.

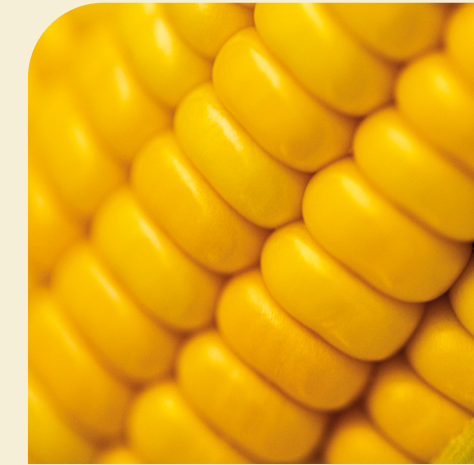

There is far more to it  
than meets the eye.

It all begins with nature. Genuine, plant-based ingredients  
and rigorous crafting. Formulating the perfect blend.  
From classic cereals to ancient legumes and vegetables.  
Alongside this natural essence, the technological soul.  
We don't just manufacture standard semi-finished products.  
We engineer original shapes, premium products and clean-label solutions.

Delivering a healthy crunch.  
Because your best ideas rely on ours.

Valin, a leading supplier of  
snack pellets and micropellets  
with a worldwide reputation.
